

CORPORATE MAGIC MIME

MIME TIME

A tuxedoed mime on roller skates? Outrageous? You bet! Perhaps that's why Carleton the Mime has been entertaining at special events across the country for decades, capturing the hearts of Corporate America with his silent antics. Combining the methods of classic mime with the excitement of street theater, Carleton's interactions break the ice and serve as a springboard for people to get to know each other. This silent entertainer will be the talk of your party.

the roller skating mime.*

RISING TO NEW HEIGHTS

Frozen like a statue, Carleton convinces guests that he's a costumed mannequin — until he suddenly moves!

At 6' 6", he'll stand head and shoulders above the crowd. When the party starts, he'll be a human statue, standing rigid at the entrance to your event. You guests will wonder, "Is he real or just a mannequin?" As they stare in awe, he'll suddenly move, — and so will your very surprised guests as their heart skips a beat upon seeing this frozen statue come to life!

As your party progresses, Carleton will mingle with your guests. He'll make his handkerchief disappear, silently guess a number that someone is only thinking about, and his tricks with an ostrich feather will leave your guests smiling every time they think about him. Party greeter, silent entertainer, physical comedian, magical mime, Carleton can do it all.

A COLLECTION OF COSTUMES

For holidays and special occasions, Carleton can dress as a silent toy soldier, a speechless angel, a beret-topped artiste, or Uncle Sam. Your guests will be enthralled when you include this silent performance artist as part of your promotion, party or festive occasion.
