

# AC•ROCK ACAPELLA ROCK 'N ROLL

## LOOK MA, NO INSTRUMENTS!

How can four guys make a living singing without the accompaniment of musical instruments? That's just what makes Ac·Rock so amazing. "Ac" (short for acapella) refers to fact that the audiences of this fabulous foursome hear only their voices.

But that doesn't stop them from tapping their feet, clapping their hands and joining in the musical fun. For Marc, Paul, Chris and J.D. have entertained over a million people across the continent at grand openings, corporate meetings, celebrations and special events during the past 15 years .

*Ac·Rock is Chicago's premier a cappella rock 'n roll singing group, combining tightly-crafted music and freewheeling humor for corporate events.*

recognize the fact that your event isn't about them -- it's about *you*. So they sing just the right tunes, deliver your message, and include irreverent "inside" patter that makes everyone sit up and take notice (*in between* the music)!

Ac·Rock offers a unique way to deliver your message by embedding it in a familiar tune. They rewrite the song to include your theme, sales pitch or company name. The result?

The tune sticks in the minds of the audience, for a long, long time.

Include the musical talents and creativity of Ac·Rock at your next event. They'll put a smile on your face and a song in your heart.
